(e) The service gratuity is payable, upon application, in a lump sum within thirty (30) days of the date of contract termination or within ninety (90) days of contract termination where the termination is by reason of application of Section 66 of the Education Act.

(f) Notwithstanding Subsection 13:03(e), the Teacher who is eligible to receive a service gratuity may elect not to receive the gratuity until January of the year following his/her employment termination.

13:03 In the event of the death of a Teacher, the service gratuity shall be payable to the Teacher's beneficiary, if named; otherwise to his/her estate.

13:04 A Teacher claiming benefits under this section because of disability shall be required to produce evidence that the Teacher has been granted a disability pension under the Teachers' Superannuation Act.

13:06 Subject to the approval of the Employer, Teachers who are eligible to retire with a pension within five years, and who would otherwise be eligible for a service gratuity, may use their accrued service gratuity towards a maximum of five (5) paid pre-retirement leaves. Each leave shall be for a maximum of twenty (20) School Days. Teachers must make advance application for approval of a pre-retirement leave. The granting of such leaves shall be at the discretion of the Employer and shall be subject to the ability of the Employer to provide for quality instruction in the absence of the Teacher. Any leave accessed under this provision shall reduce the service gratuity ultimately paid to the Teacher on a day for day basis.

In the event a Teacher fails to qualify for service gratuity upon termination of employment, any monies paid under this section shall be reimbursed to the employer.

#### **SECTION 14 - GROUP INSURANCE**

- 14:01 The Employer shall contribute **\$7.40** per Teachers' Federation member per month to the P.E.I. Teachers' Federation Group Insurance Trust Fund for the purpose of providing **equal amounts of** basic life insurance and accidental death and dismemberment insurance for each Teachers' Federation member. The premium reduction applicable to the Employer as a result of the Employment *Insurance Act* shall be applied against the cost to the Employer of this subsection. In the event that the premium reduction under the Employment *Insurance Act* becomes no longer applicable to the Employer, the cost of the insurance in this subsection shall be cost-shared with the Teacher on a 50/50 basis.
- 14:02 The Employers shall participate in the payment of group life and accidental death and dismemberment insurance for Teachers and their dependents by paying 50% of the applicable premium per Teacher per month for each member of the Teachers' Federation who is a participant in the Teachers' Federation group life and accidental death and dismemberment insurance.

- 14:06 The Employers shall participate in the payment of group dental insurance by paying, per participant, 50% of the applicable premium.
- 14:07 The group insurance rates are subject to change upon the renewal of the insurance contract(s). In the event of a change in premium for any of the options

available, the parties to this Agreement agree to continue 50%/50% cost-sharing on the options, provided that benefits in these options are not increased.

- 14:08 The Teachers' Federation will inform both its membership and its insurers that all queries related to insurance and insurance premium deductions are to be referred to the Teachers' Federation and not to the business office of the Employer.

(b) 1. A Teacher using his/her own motor vehicle on Department committee business, or in the performance of Employer approved duties or of Employer approved and/or sponsored curricular or **Extra-Curricular Activities**, which occur away from his/her **Base School**, shall be as per Treasury Board's **Regulations** and policies on travel, specifically policies 17.02 and 17.03.

16:05 A Teacher who is on Department committee business or Employer approved business or Employer approved and/or sponsored curricular or **Extra-Curricular Activities** will be paid a meal allowance according to the rates established from time to time by the Provincial Government.

This time period may be altered by mutual consent.

16:08 A Teacher may not make a claim under this section for meals or accommodations when they have been provided by the Department, the Employer, or any sponsoring agency. A Teacher may not make a claim for a travel allowance if he/she has not incurred any travel expenses related to this section.

## **SECTION 17 - SICK LEAVE**

17:01 Sick leave means that period of time a Teacher is permitted to be absent from work with full pay by virtue of being sick, injured or disabled.

17:02 A Teacher shall be granted his/her salary for periods of absence due to sickness or injury as follows:

- (a) Full Time Teachers shall accumulate sick leave credits at the rate of 15 days per School Year to a maximum of 199 days. Part Time Teachers shall accrue sick leave on a pro-rata basis.
- (b) A Teacher employed under a permanent or probationary contract, who has utilized all accumulated sick leave, shall be entitled to an advance of fifteen (15) days of sick leave upon written request to the Employer by the Teacher. A Teacher employed on a fixed term contract shall be entitled to an advance of sick leave equivalent to what he/she would earn in the balance of his/her contract.
- (c)
  - 1. In the cases where a Teacher has used the advance of sick leave and has returned to employment, the Teacher shall repay the Employer for the advanced sick leave by having deducted from his/her sick leave bank, at the end of each year, the unused amount of sick leave for that year. Such deduction shall be made until the advanced sick leave is repaid.
  - 2. In cases where a Teacher has used the advanced sick leave and not returned to employment, the Teacher shall repay the Employer for the unearned portion of the sick leave.
- (d) The unused portion of sick leave may be carried forward on a cumulative basis until a maximum of one hundred and ninety-nine (199) days is reached.
- (e) In the event of the death of a Teacher, the Teacher's estate shall receive payment for those sick leave days for which the Teacher was eligible and used, if payment had not already been made.
- (f) For the purpose of this section, the Employer shall recognize alcohol/drug addiction, mental illness, and pregnancy related illness as sickness.
- (g) The provisions of Section 17 shall be integrated with the wage benefits available to a Teacher under the *Workers Compensation Act* in accordance with the following:
  - 1. All Teachers shall be covered by the *Workers Compensation Act*. A Teacher prevented from performing his/her regular duties with the Employer as a result of an accident, that is covered by the *Workers Compensation Act*, which occurred while performing work for the Employer, shall receive injury on duty leave without pay for the period of the School Year the Teacher is receiving temporary earnings loss benefits pursuant to the *Workers Compensation Act*. A Teacher shall

not be eligible for sick leave for an accident that is covered by the *Workers Compensation Act*.

2. At the request of the Teacher, the Employer shall continue the Teacher on salary during the interim period between the time the Teacher commences injury on duty leave and the time their claim is approved by the Workers Compensation Board. All monies paid during this interim period, less any benefits payable under paragraphs 4 and 5, shall be repaid by the Teacher upon receipt of the first payment from the Workers Compensation Board. In the event the claim is not approved, the salary paid to the Teacher during the interim period shall be charged to the Teacher's sick leave bank, if applicable, or repaid by the Teacher.
3. A Teacher on injury on duty leave during the course of the School Year shall be entitled to his/her full salary for the summer break as if he/she had been working during the period of injury on duty leave. A Teacher shall have 1/260th of the Teacher's annual income deducted from the Teacher's bi-weekly pay for each weekday absent during the course of the School Year as a result of injury on duty leave. Any monies paid on account of deferred salary during the summer break shall be treated as earnings from employment, and the Teacher shall not be eligible to collect workers compensation benefits on account of that period. This subsection does not apply to a Teacher employed under a term contract.
4. Notwithstanding paragraph 1., in the event the earnings of a Teacher, at the time of a claim under the *Workers Compensation Act*, exceed the maximum annual earnings established by Regulation, the Employer shall during injury on duty leave continue to pay the employee an amount equal to 80% (85% after thirty-nine (39) weeks) of net income on a bi-weekly basis on that portion of salary which is in excess of the maximum earnings recognized by the Workers Compensation Board. The calculation of the net pay entitlement shall be made in the same manner as the calculation made by the Workers Compensation Board. With respect to a Teacher employed under a term contract, the provisions of this subsection do not apply beyond the termination date of the term contract.
5. When a Teacher is on injury on duty leave for a period of ten (10) working days or more, the Employer will pay, during the period while the Teacher is receiving temporary earnings loss benefits pursuant to the *Workers Compensation Act*, the full costs of the Teacher's premiums where the Teacher prior to his/her injury participated in

Group Life, Group Medical Insurance and Group Dental Plans described in Section 14 and will make the Teacher's pension contributions. With respect to a Teacher employed under a term contract, the provisions of this subsection do not apply beyond the termination date of the term contract.

6. Benefits paid in accordance with paragraphs 4 and 5 shall not result in the Teacher having a greater net income than their actual biweekly net income from teaching.
7. The absence of an employee who is receiving compensation benefits under the *Workers Compensation Act* shall not be charged against the employee's sick leave credits.
8. A Teacher who has filed a claim under the *Workers Compensation Act* shall be granted sick leave during any required statutory waiting period. In the event the Teacher receives compensation from the Workers Compensation Board for the waiting period, the Teacher shall repay the Employer for the sick leave utilized during the waiting period, and any sick leave granted will be re-credited to the Teacher's sick leave bank.
9. Engaging in other employment while receiving this benefit will disqualify the Teacher from this benefit. The Employer may require at any time during the period of leave under this sub-section, examination by a medical doctor.
10. During the period of injury on duty leave, service and sick leave will continue to be accumulated and calculated on the same basis as if the employee had been at work, provided the Teacher remains under contract with the Employer.

17:03 (a) A Teacher injured while in the performance of duties for an employer other than the Employer shall:

1. not be granted sick leave by the Employer where the other employer does provide Workers Compensation coverage;
2. be granted sick leave by the Employer where the other employer does not provide Workers Compensation coverage.

- 17:04 (a) For periods of sickness exceeding five (5) consecutive days, a certificate signed by a physician shall be required by the Employer. The Employer may, at its discretion, waive the requirement for a medical certificate.
- (b) In cases of an established pattern of sickness, the Employer may require a medical certificate for any period of sickness.
- 17:05 (a) The amount of unused sick leave which a Teacher may have accumulated on the date of termination of a Teacher's contract shall be suspended and no portion thereof shall be considered for pay purposes. However, upon entering into a new contract with an Employer within the province within 60 months of termination of the prior contract, all accumulated leave shall be reinstated.
- (b) Notwithstanding Section 17:05(a), sick leave shall be granted if the Employer agrees to terminate a Teacher contract on the recommendation of a medical authority.
- 17:06 The Employer shall keep a record of the sick days used in a current School Year by each **Teacher and shall ensure Teachers have timely access to information on their accumulated sick leave.**
- 17:07 A Teacher's entitlement to receive credit for accumulated sick leave shall be transferable between the Department and the Employers.
- 17:08 Notwithstanding other provisions of this section, a Teacher who is seconded shall be eligible to use days of sick leave on days the Teacher has been seconded to work and which are not School Days.
- 17:09 A Teacher may, after utilizing all benefits under this section, request a leave under Subsection 20:05 or Section 22 of this **Agreement**, whichever is applicable.
- 17:10 A Teacher may request leave under this section for medically related appointments.

18:02 The parties agree that Supplements to Employment Insurance (EI) Maternity or Parental Benefits will be provided to permanent Teachers, probationary Teachers and Teachers employed under a fixed term contract for a full School Year who commence maternity, adoption or parental leave on or after the signing date of this Agreement. The Supplements to EI will be provided as follows:

- (a) A Teacher who provides the Employer with proof that she/he has applied for and is eligible to receive either maternity benefits or parental benefits under the provisions of the *Employment Insurance Act* shall be paid an allowance for **seventeen (17)** weeks. The allowance shall be equivalent to the difference between the weekly EI benefits the Teacher is eligible to receive and **eighty-five** percent (85%) of her/his weekly rate of pay, less any other earnings received by the Teacher during the benefit period which may result in a decrease in the EI benefits to which the Teacher would have been eligible if no other earnings had been received during the period.
- (b) If both parents are employees, the maximum entitlement period to either one or both parents shall not exceed **seventeen (17)** weeks.
- (c) A Teacher mentioned in (a), who is accessing maternity, parental or adoption leave, who is subject to a waiting period of **one (1)** week before receiving EI benefits, shall receive an allowance equivalent to **eighty-five** percent (85%) of her/his weekly rate of pay for each week of the **one (1)** week waiting period, less any other earnings received by the Teacher during the waiting period.
- (d) The weekly rate of pay for a part-time Teacher will be the average weekly salary earned in the twenty (20) week period prior to commencement of the EI claim.
- (e) Where a Teacher becomes eligible for a salary increment or pay increase during the benefit period, payments under the Supplements to EI will be increased accordingly.

- (f) In the event a Teacher is eligible for top up pursuant to (a) during the period between the end of one School Year and the commencement of the next School Year, the **seventeen (17)** weeks top up allowance, or remaining portion thereof, shall be deferred to the beginning of the next School Year.
- 18:03 The Employer and the Teacher may enter into a mutual **Agreement** concerning the duration of the maternity leave; however, in the event that mutual consent cannot be reached, maternity leave shall commence six (6) weeks prior to the date of confinement or earlier upon production of a medical certificate stating when confinement will probably occur and that in the opinion of the medical doctor the Teacher should no longer be working **for medical reasons related to the Teacher's pregnancy**.
- 18:04 (a) Subject to 18:04 (b), the Teacher shall, upon completion of the period of leave, return to the same position he/she held prior to the commencement of the leave unless his/her contract has been terminated in accordance with the Education Act.
- (b) In the event that the period of leave extends beyond the School Year in which the leave is granted and subject to 28:02 (a), the Teacher shall be returned to a position in the school in which the Teacher taught prior to the leave, except in those instances where the Teacher and the Employer mutually agree to an alternate assignment.
- 18:05 Maternity, parental, or adoption leave, to a maximum of 52 weeks per leave, shall be accepted by the Department as a substitute for actual teaching experience for salary increment purposes.
- 18:06 When, within a school where a pregnant Teacher teaches, there is a health hazard which, in the opinion of the Teacher's physician, constitutes a danger to the fetus the Employer will find a reasonable alternate assignment for the Teacher. This assignment shall end when, in the opinion of the Teacher's physician, there no longer exists any danger or when the maternity leave of the Teacher commences.
- 18:07 Where continued coverage is provided under group insurance plans, a Teacher who has been granted leave of absence without pay under this section shall continue to be eligible for cost-sharing of all group insurance premiums. Where a Teacher elects to continue insurance coverage, the Teacher shall make arrangements with the insurance plan administrator for payment of the Teacher's share during the term of the leave (e.g. post-dated cheques or direct debit).

- 27:02 (a) Subject to Section 28:02 (a), whenever possible, a Teacher shall be assigned to the level and area of teaching of his/her preference. - (c) Subject to any express provisions to the contrary, a Teacher returning from a leave, Teacher exchange or secondment shall have no advantage or disadvantage in their assignment as a consequence of having been on leave or secondment.

For the purpose of this section, transfer means a change in position from one school to another operated by an Employer after first having been employed by the Employer **for the applicable School Year**.

School buildings within Administrative Consolidations shall be considered as individual schools for purposes of this section.

- 28:01 A Teacher who is under contract with an Employer may be transferred or request a transfer to a different school. Any transfer under this subsection shall be by mutual consent of the Employer and Teacher, and after consultation among the Director and principals involved.
- 28:02 (a) Notwithstanding 28:01, a Teacher under contract with an Employer may be transferred to a different school if:
1. The number of teaching positions allocated to the school is reduced;
  2. The school is permanently closed;
  3. A change in curriculum makes the position non-existent;
  4. As a result of being displaced by the transfer, under this subsection, of a more senior Teacher from another school; or

5. All Teachers returning from a leave of more than two years or a secondment of more than three years.
- (b) If a transfer is to occur under this subsection, the Teacher involved shall be advised in writing by the Employer at least one (1) month in advance of the date of the transfer and, wherever possible, no later than October 31 of the relevant School Year. If a transfer is to occur under this subsection, the Teacher involved shall have the right to take a leave of absence which shall not exceed one year in duration or resign without prejudice within twenty (20) days of the receipt of notice of transfer.
  - (c) Notwithstanding (b), the Employer shall seek a volunteer(s) to transfer under this subsection. A volunteer shall be made aware of the position(s) available and the transfer shall only occur by mutual consent.
  - (d) If no suitable volunteer is found, or there is no mutual consent under 28:02 (c), the Employer shall transfer the Teacher, **in the school affected, who has the least Seniority**, provided the Teachers retained have the qualifications, ability and suitability for the positions remaining in the school.

All other factors being equal, the Employer shall generally displace a first year probationary Teacher over a second year probationary Teacher.

- (f) If a situation arises under 28:02 (a) after September 1, and a transfer is to occur, the transfer shall be for one year, unless there is mutual consent between the Teacher and the Employer to make the transfer permanent.

The Employer shall follow the provisions under this subsection, but may forgo **Seniority** and/or the displacement of a probationary Teacher when the Employer can create less disruption for Teachers and students by transferring a Teacher without changing his/her assignment. A change in assignment may occur, however, if it is the Teacher with the least **Seniority**, as per (d) being transferred.

- 28:03 (a) A Teacher may initiate a request to transfer to any position posted in accordance with Subsection 26:01 of this Agreement.

- 28:04 (a) A Teacher who holds a principal or vice-principal position may be transferred, or request a transfer, to either a principal or vice-principal position, if the **Teacher** meets the minimum qualifications established for the position. Such transfers shall be made under the provisions of this section.

- (b) Principals and vice-principals who are eligible to be transferred as per Sub-Section 9:03 (e) may be placed, or compete for a placement, prior to vacant principal/vice-principal positions being posted for transfer. - (c) Principals and vice-principals who do not have a position through the process in (b) shall be subject to Section 26:01 as a **Teacher** and shall be under (b) in the two succeeding School Years.

- (d) **If the number of vice-principal positions in a school is reduced, the reduction is subject to Subsection 9:07 and this Section. For the purposes of this subsection only, notwithstanding Subsection 1:16, "Seniority" shall mean the length of time the Teacher has held a principal and/or vice-principal position(s) with the Employer.**

(e) **Teachers in an acting principal or vice-principal position** do not qualify for a transfer under **this Subsection**.

**28:05 Teachers who hold an Administrative Position as Lead Consultant, Education Authority Consultant, or Coach with their Employer, may be transferred or request a transfer to one of these positions, where available, provided the Teacher has the qualifications, ability and suitability for the position. Such transfer shall be made under the provisions of this Section. If the transfer is initiated by the Employer, the Teacher is still eligible to apply for posted transfer opportunities.**

**28:06** A Teacher under a permanent contract who accepts an appointment to a position at the Authority office, including an excluded position, shall be returned from his/her leave of absence in the event the position at the Authority office is eliminated within the first two years.

- (d) Subject to 28:02 (a), a Teacher involved in a Teacher exchange program shall receive a written guarantee from the Employer that the Teacher will be returned, following the expiration of the period of the exchange, to a position in the school in which the Teacher taught prior to the exchange, except in those instances where the Teacher and the Employer mutually agree to an alternate assignment.

- 32:03 (a) Before any evaluation report is entered in the Teacher's Official **Personnel** File, the Teacher will acknowledge that he/she has had the opportunity to review such evaluation by signing the copy to be filed, with the expressed understanding that his/her signature does not necessarily indicate agreement with the contents. The Teacher will be permitted to attach his/her comments related to the evaluation report.
- (b) Notwithstanding 32:03 (a), in the event a Teacher refuses to sign an evaluation report, the **director** may enter the report in the Teacher's Official **Personnel** File if a witness signs a document attesting to the fact that the Teacher has had the opportunity to review the report and has refused to sign the report.

To this end, each Employer shall maintain and/or review policies and procedures for Teacher evaluation which shall provide for both formative and summative evaluations.

- summative evaluation occurs only upon the written request of the Teacher, the school principal, the **director**, or the Employer.

33:02 A Teacher may request that a **formative** evaluation of his/her teaching be carried out at any time during the School Year. **33:05 Evaluations shall be carried out by the Teacher's Employer.**

**33:06 Probationary Teachers who, as a result of taking an approved leave, are in attendance for less than 115 School Days in any one School Year, may be required to complete an additional period of time during the following School Year in order to complete an evaluation in the probationary period for that year. #### **Changing Grid Steps in Section 8**

**The Steps in “Section 8 – Salary Scales” will move to Steps 1 to 10, from 3 to 12, based on the following:**

- 1. The change will result in Teachers on Step 3 moving to Step 1, and so on, up to Teachers at step 12 who will move to step 10;**
- 2. Although the change will be effective as of the date of signing the MOA, the actual change will require administrative resources and time for the payroll Department to implement. As a result:**
  - (a) the change will be implemented after the salary increase(s) and retroactive payments arising under the new MOA; and**
  - (b) the change will be implemented by the payroll Department as soon as possible following the date of signing the Agreement, and the PEITF will be kept apprised of the progress along the way.**

**This change does not impact the normal progression of Teachers through the salary grid.**

## **APPENDIX “S”**
